COLD WEATHER POLICY

Thunder Soccer Club shall follow the policy outlined below for teams that are scheduled to practice outdoors:

- 1) Field conditions must be safe and allow for an effective and productive training session.
- 2) Players are expected to dress appropriately in layers including hats and gloves.
- 3) For teams U12 and YOUNGER, the “feels like” temperature which accounts for wind shall not be lower than 30 degrees, and/or there can be no precipitation if the temperature is below 35 degrees.
- 4) For teams U13 and OLDER the “feels like” temperature which accounts for wind shall not be lower than 24 degrees, and/or if there is precipitation the temperature must be 32 degrees.
- 5) Practices may also be cancelled due to other weather related factors that may influence transportation or the effectiveness and productivity of a training session.
